

From the Desk of Mayor-Elect Marci Fluellyn

At the closing of qualifying week in Lovejoy two momentous occasions have taken place. A changing of the guard if you will. New chapters are beginning for two of our very own.

We say farewell to our Mayor Bobby Cartwright who's served the public for over 30years. He served on the Flight Crew in the Navy protecting our country for over 13 years. And has served the City of Lovejoy for over 20 years as a Councilman and our Mayor. He's made an impact on so many lives over the years and served our city with dignity and tenacity. He will be remembered by all and truly missed as he begins his retirement with his wife and family. We send him with our love and well wishes! But most of all, we THANK HIM for his years of faithful service. Please join us in wishing him well as he begins his new chapter in life.

History is being made in Lovejoy! I became the first African American council member in 2007 to serve in Lovejoy and have faithfully served the community in that capacity for 16 years bringing amazing events and programs to the city. I am thankful to my Heavenly Father to become our first African American Mayor of Lovejoy and will begin my term in January 2024. Please join me in celebration as I begin my new chapter as Mayor of Lovejoy and continue to serve our amazing community that I love with all my heart

The following candidates will be joining me January 2024 as they have also qualified during Qualifying Week:

Post I: Rosannette Kirby, Incumbent

Post II: Veronica Parrot

Post III: Rebekah Wright, Incumbent

Post IV: MaryAnn Carp, Incumbent

Join us on Sat., September 9th at the Lovejoy Fall Festival for Bobby's farewell.
